Under my bed, you can set your little satchel

D7 G

And on my head come lay your little hand

C G

If you will be my own true lover

D7 G

I will be your loving little man

C G

Run to the house and ask your papa

D7 G

Bride of mine you'll ever be

C G

If he says no, come back and tell me

D7 G

And I will wait for you to be free

C G

When you get free then we'll get married

D7 G

Look how happy we will be

C G

Oh, we'll go to California

D7 G

Any place you want to go

C G

Oh, we'll go to Louisiana

D G
Settle down when we get home

C G
I wish I was a little angel

D7 G
And over these prison walls I would fly

C G
I'd fly on back to the arms of my darlin'

G
Stay at home and there I would die

C G
But you can see that I'm no little angel

D7 G
Neither have my wings to fly

C G
So I'll go back all broken hearted

D7 G
Weep and moan until I die
