 G C
It was long, long ago in the moonlight
 G D
We were sitting on the banks of the stream
 G C
When you whispered so sweetly, I love you
 G D G
As the waters murmured a tune

CHORUS

 G C
Oh they tell me your love is like a flower
 G D
In the springtime blossoms so fair
 G C
In the fall then they wither away dear
 G D G
And they tell me that's the way of your love

 G C
I remember the night, little darling
 G D
We were talking of days gone by
 G C
When you told me you always would love me
 G D G
That your Love for me would never die

CHORUS

G C
It was spring when you whispered these words dear

G D
The flowers were all blooming so fair

G C
But today as the snow falls around us

G D G
I can see that your love is not there

CHORUS
